THE EDUCATIONAL AND GENERAL BUDGET

The Educational and General budget includes expenditures for instruction, research, library and learning resources, student services, plant operations and maintenance and administrative support. The budget is funded by:

General Revenue, consisting primarily of State of Florida sales tax collections and corporate income tax collections, as well as license fees and other taxes and operating receipts.

Education Enhancement Trust Fund, consisting of collections from the sale of Florida lottery tickets. Approximately 31 percent of total lottery collections is dedicated to the trust fund.

Student Fee Trust Fund, consisting primarily of matriculation fees and tuition (out-of-state fees) paid by students, as well as other fees such as application and late registration fees.

Florida Atlantic University Educational and General Operating Budget July 1, 2008 – December 31, 2008 Second Quarter Report

Educational and General Operating Budget

July 1, 2008 to December 31, 2008

Adjusted Budgeted Revenues 2008-09: \$267,213,472

Actual Revenues to December 31: \$149,528,760

Adjusted Budgeted Expenses 2008-09: \$259,911,488

Actual Expenses to December 31: \$107,151,218

The total original budgeted revenue for 2008-09 was \$256,676,127. The major revenue components were general revenue (\$162,049,309), student fees (\$77,994,024), and lottery funding (\$16,632,794).

For the second quarter, actual revenue collections are general revenue of \$84,577,492 and student fees of \$64,951,268 for total revenue of \$149,528,760. Lottery fund disbursements to universities have not been distributed as of this second quarter report, however, we expect the first payment to be received early in the third quarter. Included in the general revenue collected is the first and second payment of a grant from the State of Florida entitled the Florida Energy Systems Consortium awarded to FAU in August 2008. One of five universities in the consortium, FAU will receive a total of \$8,750,000 in 2008-09. A formal budget amendment to reflect this award has accompanied this report. Also reflected in our revenue projections is the salary portion of the Clearwire funding (\$1,745,623) and a small risk management amendment from the State of Florida (\$41,722). With these adjustments, the total projected revenues now total \$267,213,472.

Not included in this quarter's report is the recent combined budget reduction to the General Revenue and Lottery of 4% that was signed by Governor Crist in the early part of January 2009. For FAU this is a total reduction of \$7,076,953 in our General Revenue and Lottery allocations for the 08-09 fiscal year and will be reflected in our third quarter report to the Board of Trustees.

The total original expense budget 2008-09 is \$249,374,143. This amount reflects \$7,301,984 in student fee budget authority held in unallocated reserve. A portion of this (\$1,900,000) is a cash reserve which was set aside in anticipation of further budget reductions by the State of Florida. This amount will be part of FAU's reduction mention above. The remainder - \$5,401,984 – is not a cash reserve, but rather authority to spend if cash is received. As with the new funds adjustments to the revenue budget, equivalent adjustments have been made to the expenditure budget. Therefore, the expenditure budget now totals \$259,911,488.

Expenditures through the second quarter were \$107,151,218; approximately 41 percent of the total projected budget amount. Total expenditures are below the spending rate of the previous year – 41 percent compared to 45 percent in 2007-08. This is due largely to campus-wide spending restraints attributable to responsible management given the State economic exigencies.

Educational and General Operating Budget

Analysis and Update on State of Florida Budget:

The Educational and General figures presented in this document reflect initial budgets approved by the Board of Trustees in June with additional funding awarded in August for the Florida Energy Systems Consortium, the Clearwire funding and a small amendment to our Risk Management receipts.

Summer enrollment fell short of the budgeted projections by 7,493 student credit hours (7.62%) and preliminary estimates for the Fall semester indicate that enrollment will be short of its goal by 844 credit hours (.33%). Fall 2008 headcount is 26,897, just over a 1% increase over Fall 2007 headcount of 26,525. Spring enrollment is projected to be slightly below target. As such, our tuition revenue estimate is expected to be approximately 1.8 percent below target.

In early January 2009, Governor Crist signed into law a General Revenue and Lottery combined reduction of 4% for all SUS institutions. This reduction was anticipated by FAU and we were able to adjust our budget to this reduction on a non-recurring basis with reserves that were set aside. At the beginning of 2008-09, nearly \$4.3 Million was held in reserve to respond to a 4% reduction. The remainder of the \$7,076, 953 will be covered by current year, non-recurring savings.

For 2009-10, we will need to identify the recurring funds to cover not only this year's reduction of 4% but any additional reductions that the State of Florida mandates. At this time, the amount we need to prepare for in terms of additional budget cuts to our General Revenue allocation is estimated to be between 10% and 15% or in real dollars approximately \$22 Million.

THE STUDENT FINANCIAL AID BUDGET

The Student Financial Aid budget largely represents scholarship and loan funds that are received by the University and subsequently disbursed to students. Included in the budget are funding from student financial aid fees as well as financial aid support from all sources such as federal financial aid awards (Pell, Student Educational Opportunity Grants, Perkins Loans, Stafford Loans), state financial aid awards (Bright Futures, Florida Assistance Grants), Institutional Programs (Presidential Awards, MLK Scholarships) and Private Scholarships (FAU Foundation).

Student financial aid fees are established by the legislature. Current per-credit hour financial aid fees for 2008-09:

\$ 4.02	Undergraduate In-State
\$25.87	Undergraduate Out-of-State
\$11.15	Graduate In-State
\$41.89	Graduate Out-of-State

Florida Atlantic University Student Financial Aid Operating Budget July 1, 2008 – December 31, 2008 Second Quarter Report

Budgeted Expenses 2008-09: \$112,411,000 Actual Expenses to December 31: \$54,122,843

The total budgeted revenue for 2008-09 is \$112,685,369. As of December 31, 2008, \$58,721,094 in revenue has been generated, or approximately 52 percent the total revenue budget. Total projected expenditures for the year are \$112,411,000. As of December 31, 2008, \$54,122,843 has been expended, or approximately 48 percent of total projected expenditures for the year.

Analysis:

The amount of expenditures to date for 2008-09 is 48 percent of the total budgeted expenditures compared to 39 percent spent in the prior year. Revenues and expenditures are believed to be on target with projections.

THE GRANTS AND CONTRACTS BUDGET

The Grants and Contracts budget consists of funding from federal agencies, state agencies, foundations and private sources that enables the University to conduct specific research projects or to provide specific services.

Expenditures for the Division of Sponsored Research, the A.D. Henderson University School and the Florida Atlantic University Foundation (payroll and clearing account) are included in the Grants & Contracts budget. Beginning this fiscal year, Harbor Branch Oceanographic Institute research activity is included in this analysis and represents just over \$8 Million in fund activity.

Florida Atlantic University Grants and Contracts Operating Budget July 1, 2008 – December 31, 2008 Second Quarter Report

Grants and Contracts Operating Budget

July 1, 2008 to December 31, 2009

Budgeted Revenues 2008-09: \$66,787,626 Actual Revenues to December 31: \$30,853,999

Budgeted Expenses 2008-09: \$64,993,035 Actual Expenses to December 31: \$25,544,472

The total budgeted revenue for 2008-09 is \$66,775,144 and budgeted expenses are \$64,993,035. Total budgeted expenditures are comprised of Sponsored Research (\$50,000,000), FAU Foundation, Inc (\$9,893,848) and A. D. Henderson University School (\$5,086,505). As of December 31, 2008, \$30,853,999 in revenue has been generated, approximately 46 percent of the budgeted amount. \$25,544,472 has been expended, or approximately 39 percent of the total expenditure budget.

Of the total expenditures to date, salaries and benefits equal \$11,583,595 (45 percent of total expenditures); OPS is \$3,192,653 (13 percent); and expense is \$10,768,224 (42 percent).

Analysis:

Total expenditures to date are above last year's figure by \$1,676,882, or approximately 7 percent. Second quarter actual revenues of \$30,853,999 are above 2007-08 figures representing an increase of 34 percent. Some of this increase can be attributable to an infusion of \$3,500,000 into the budget by Clearwire funds use for the strategic enhancement of our research enterprise. Revenue is not earned evenly over the course of the fiscal year. For example, two of the primary sources of award funds, National Institute of Health and National Science Foundation, make their award announcements in November and April. Some grant awards are cost reimbursable and at times expenditures will be higher than collections of offsetting revenues of offsetting revenues.

THE AUXILIARY ENTERPRISES BUDGET

The Auxiliary Enterprises budget includes activities that support the instructional, research and service objectives of the University. Auxiliary enterprise operations are self-supporting and must generate adequate revenue to cover expenditures and to allow for future renovations and building or equipment replacement. Some auxiliaries are partially funded by student fees, including Student Health Center through the student health fee (\$7.50 per-credit hour) and Traffic and Parking through the transportation access fee.

The major auxiliary areas are:

Food Service

Housing

Bookstore

Printing/Duplicating

Telecommunications

University Theatre

Harbor Branch

Oceanographic Institute

Postal Services

Student Health Center

Traffic and Parking

Student Union

College Continuing Education

Lifelong Learning Society

Clearwire Spectrum Holdings

Actual Revenues to December 31: \$57,498,574

Adjusted Budgeted Expenses 2008-09: \$87,954,295

Actual Expenses to December 31: \$35,849,466

The total original budgeted revenue for 2008-09 is \$77,925,362. With the Clearwire funds, the adjusted total revenue increased to \$91,783,954. As of December 31, 2008, \$57,498,574 in revenue has been generated, or approximately 63 percent of the total budget. Total projected expenditures for the year are \$87,954,295. As of December 31, 2008, \$35,849,466 has been expended, or approximately 41 percent of total projected expenditures for the year.

Analysis:

The expenditures to date for 2008-09 are slightly higher than the percentage spent in the prior year (41 percent for 2008-09 compared to 38 percent for 2007-08). This is the result of the activity of Harbor Branch Oceanographic Institute's full integration into the Auxiliary Fund and the Clearwire funds. Revenues and expenditures for the year are believed to be on target with projections.

THE ATHLETICS LOCAL OPERATING BUDGET

The Athletics Local Operating Budget supports the University's student athletics program. Funding is generated from student athletics fees (\$13.75 per-credit hour) as well as ticket sales to athletics events, game guarantees, NCAA distributions, sponsorships and private support.

In addition to the Local Operating Budget, FAU Athletics receives \$247,246 in State Educational and General Title IX Gender Equity funding and \$1,076,569 in out-of-state waiver authority and financial aid.

A budget amendment to increase revenues and expenses by \$350,000 is requested to account for revenue and expenditures associated with FAU'S participation in our second consecutive bowl game on December 26, 2008 - the Detroit Motor City Bowl. The increase in expenditures will be covered by Bowl game revenues.

As of December 31, collections consisted of athletics fees of \$7,054,640, ticket sales of \$340,106, NCAA Grants in Aid of \$580,744, facilities rentals of \$17,200, game guarantees \$163,325 and other revenue of \$237,247.

Of total expenditures to date, 25 percent (\$1,907,9502) were financial aid disbursements and 31 percent (\$2,412,212) were payroll.

In addition to the local operating budget, FAU receives \$247,236 in State Educational and General Title IX Gender Equity funding and \$1,076,569 in out-of-state waiver authority and financial aid.

Athletics Local Operating Budget

July 1, 2008 to December 31, 2008

Analysis:

Athletic fee collections are projected to slightly exceed their targeted amounts. Athletics fees were conservatively estimated at \$247,858 below last year's projections (3 percent decline).

Ticket revenues are in-line with projections (\$340,106). Game guarantees revenues are expected to be achieved. Corporate sales (sponsorships) are below projections at this time and are being closely monitored. Development funds also are significantly below expectations at this time.

Regular meetings are on-going to monitor revenues and expenditures of Athletics. Athletics is working on an expenditure reduction plan.

THE STUDENT GOVERNMENT- STUDENT ACTIVITIES BUDGET

The Student Government-Student Activities budget supports student activities such as student government and student clubs and organizations. Also included in the budget are expenditures for the University Center and campus recreation and student wellness activities.

The Student Government budget is funded primarily through the Activity and Service fee paid by students (\$10 per credit hour) as well as other types of service fees.

To date, \$1,834,437 has been expended, or approximately 25 percent of total projected expenditures for the year.

Analysis:

The expenditures to date for 2008-09 are lower than the percentage spent in the prior year (25 percent for 2008-09 compared to 30 percent for 2007-08). Although projected expenditures for the year exceed revenues by \$1,096,698, available cash balances will support this level of expenditure, if required.

THE CONCESSIONS BUDGET

The Concessions Budget consists of funds from concession operations such as soft drink and snack vending machines.

Expenditures from these funds support the academic mission of the University.
