Uploading a video and sharing a link using iCloud
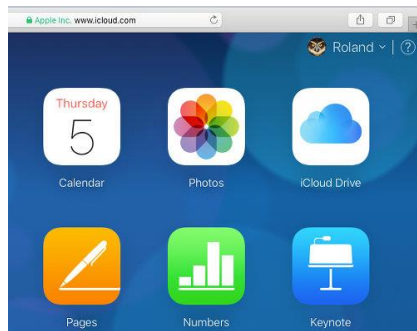

iCloud Website

1. Go to iCloud.com on your browser and log in with your Apple ID.

2. Click **Photos**.

3. Next, click on the **Cloud with the arrow pointing up.**

4. Select the file that you wish to upload.

5. Your file will automatically appear in your pictures folder.

6. In Photos, select the file you want to share.

7. Click on , located right next to the cloud with the arrow pointing up, then click on Copy Link. You may now share this link on your application.
