RE: Greek Grade Report for Spring Semester 2003

Congratulations to **Phi Sigma Sigma, Zeta Phi Beta, and Delta Sigma Theta** for having the highest grade point averages among the sororities. Congrats also go out to **Sigma Phi Epsilon, Pi Lambda Phi and Phi Beta Sigma** for earning the highest grade point averages for the fraternities. **Sigma Phi Epsilon** has the highest overall Greek GPA for the spring semester! **Lastly, all Greeks deserve a round of applause for being above the school's overall GPA this semester!**

For your convenience, the grade report includes the following: Overall Chapter numbers, Chapter GPA's, Members with a 3.50 or higher GPA, and the number of members not included in the chapter GPA.

**Setting Goals** I am extremely proud that for the most part everyone's chapter GPA's have increased. Let's please continue to be focused on our #1 goal; **SCHOLARSHIP**. We want to show FAU that being Greek doesn't take away from your scholastic achievement but adds to it! I am especially concerned with those members who earned below a 2.0. All new member classes must strive to achieve at least a 2.5 GPA, not a 2.0 GPA! Assisting members with their academic achievement is central to each chapter's mission! **I will be monitoring each and every one of you this upcoming semester and will provide you with any additional support necessary to improve your grades.**

Those chapter members that did not complete the term, attended a different college, or did not have any hours for an average were listed on the individual chapter grade report. Additionally, you may find that some chapter members were not on the grade report. While we may have overlooked them, chances are they did not appear on your updated list. In either case, we would be more than happy to provide you with GPA's for any "missing persons". You will not however, be able to remove any members from your report. **Please be aware that this is the second submission of the grade report, therefore, the thirty day period grace period ended today June 13, 2003.**
