# Student Involvement

College is a total living and learning experience, incorporating both academics and personal growth. As you will soon discover, academic and personal growth can be enhanced by being involved in one of the great opportunities that exist on campus.

These opportunities can range from joining one of our [400+ student organizations, campus employment, sports clubs or even assisting in research with faculty.](#)

A photograph of a modern, single-story university building with large windows and a flat roof. The building is surrounded by lush green trees and a well-maintained lawn. A paved sidewalk leads towards the building. In the foreground, there is a tall, thin metal pole and a diamond-shaped road sign. The scene is captured in bright daylight with clear shadows.
