FAU Graduate International Student Onboarding Process

All International Students (Regular and Study Group)

I-20 • The ISS or IES department invites the student to apply for an I-20.

Visa • The student applies for a Visa.

Onboarding Information • The ISS or IES departments send the student info about orientation, check-in, holds, registration, and other onboarding details.

Academic Advising • The academic department sends the student info about advising, curriculum, and other academic details.

Arrival • The student arrives at least 1 week before the semester begins. Late arrivals are allowed until the Thursday of add/drop week.

Orientations • The student attends immigration, university-wide, and academic department orientations.

Immigration Check-In • The student attends immigration check-in to submit all immigration documents to the ISS office.

Matriculation • The student has completed all requirements and has enrolled for the semester.
