

Travel & Transportation Guide to Florida Atlantic Boca Campus

FAU Boca Campus is readily accessible from
the 3 international airports below:

[Palm Beach International Airport \(PBI\)](#) – 24 miles from FAU

[Fort Lauderdale-Hollywood International Airport \(FLL\)](#)
– 27 miles from FAU

[Miami International Airport \(MIA\)](#) – 48 miles from FAU

02

Taxi Service

Taxi cabs are available at all three airports. Cabs may accept up to five people for the fare stated on the meter. The fare varies based on the meter reading and the travel distance. They accept cash or credit card. Visit the links below for the available taxi services at each airport.

Driving to FAU Boca Campus

FAU Boca campus is located off I-95, off the Glades Rd. Exit 45.

- Traveling South on I-95 (from PBI). Take Exit 45 from I-95 S and turn left at the light on Glades Road. Continuing driving east for 1 mile on Glades Road and take a left on University Drive (which is the main FAU Entrance).
- Traveling North on I-95 (From FLL or MIA). Take Exit 45 from I-95 N and yield right at the light on Glades Road. Continuing driving east for 1 mile on Glades Road and take a left on University Drive (which is the main FAU Entrance).

Get driving directions from [Google Maps](#).

Tri-Rail + Palm Tran (Route 94)

01

Tri-Rail is a commuter train that links Miami, Fort Lauderdale, and West Palm Beach. This train connects the City of Boca Raton with all three international airports. Fares vary and are dependent on how many zones you have traveled. You can calculate your fare and check the train schedule from the Tri-Rail website.

FAU Boca Campus is located near the Boca Raton Tri-Rail Station (680 Yamato Road, Boca Raton, Florida 33431). There is now a shuttle that runs directly between the Boca Raton Tri-Rail station and FAU. The shuttle runs every 20 minutes from 6:45 am – 9:00 pm and is a short 10-minute ride. Bus stop #1134 is the stop for the FAU campus. Please visit the Palm Tran website for the full schedule and route map.

Rideshare App (Lyft or Uber)

03

Rideshare apps are very commonly used in the U.S. Students can download the app and get a ride from a driver within minutes. Lyft and Uber can now pick up and drop off travel passengers at all three airports, Tri-Rail station, or many other locations. Visit the links below to learn more and to sign up for the app.

Safety Tips

[511 Traveler Information System](#) The Florida Department of Transportation provides real-time traffic and travel information such as traffic including crashes, commuter travel times, congestion, lane closures, severe weather, construction, and emergency evacuation.

It is unsafe and unwise to accept transportation offers from illegal ground transportation operators. Students are advised to ignore offers of transportation from solicitors inside the terminal.
