Department of Special Education Catalog Language for Proposed Courses presented in the September and October GPC meetings

This section of the Preliminary 2023-2024 University Catalog includes revisions received after the 2022-2023 catalog's publish date of June 1, 2022. Revisions are noted in red. Exceptional Student Education (Changes effective fall 2022.) <https://www.fau.edu/academic/registrar/PREcatalog/AcadPrograms.php>

Master of Education (M.Ed.)

The master's program includes coursework and supervised experiences for new special educators and various specializations for experienced special educators. The department also offers graduate courses leading to certification or endorsement in applied behavior analysis, prekindergarten disabilities, gifted education, autism and as an Infant/Toddler Development Specialist. ~~Students with undergraduate degrees in fields other than exceptional student education will enroll in the Instructional Practices in Exceptional Student Education area of study.~~

Admission Requirements

1. The student must meet College and University requirements.
2. An undergraduate Grade Point Average (GPA) of at least ~~2.5~~ **3.0** or **one letter of recommendation from an employer in an education-related field or current/former university instructor.**
3. **Personal statement not exceeding three double-spaced pages, indicating applicant's reasons for pursuing a master's degree and career goals.** ~~Minimum Graduate Record Exam (GRE) scores of 148 (verbal), 144 (quantitative), 3 (analytical writing). For applicants using the MAT, a score in the 50th percentile may be used in lieu of the GRE.~~
4. **Initial or temporary teaching certification when entering the program. Note: Students applying for the ABA specialization are exempt from teaching certification requirement.**

Admission to Candidacy

See Admission to Candidacy heading listed under Master's Degree Program Information.

Degree Requirements

1. The student must meet College and University requirements.
2. The student must earn grades of "B" or higher in all ESE courses in the program and will be required to repeat any course in which a grade of less than "B" is earned. (A course can be repeated only once.)
3. Students in the Instructional Practices in the Exceptional Student Education area of study must successfully complete a comprehensive internship prior to graduation. Applications must be completed the fall or spring semester prior to registering for the internship.
4. The student must complete a minimum of 36 credits in the program.

Course Catalog Description Changes

| Course Number | Current Catalog Description | Proposed Course Description to Meet New Standards |
|---|---|--|
| EEX 5622 (Revised title, description to meet new standards) | Collaboration and Consultation Skills for Educators (EEX 5622) 3 credits Course is designed to present school professionals with an overview of collaborative interaction skills and to provide opportunities to practice these skills in real and simulated settings. Course covers basic interpersonal communication skills, such as listening, speaking, effective problem solving, and conflict resolution. | Enhancing Collaborations between Schools, Communities, and Families of Students with Special Needs (EEX 5622) Prerequisite: EEX 2010 or EEX 2091 or EEX 5051 or equivalent at advisor discretion This course emphasizes the collaborative skills for special educators to create and maintain optimal working relationships with families with students with special needs, schools, communities, and related stakeholders. Various evidence-based practices or approaches will be discussed and applied to various course requirement. |
| EEX 6225 (Revised title, description to meet new standards) | Assessment and Evaluation of Students with Disabilities (EEX 6225) 3 credits <i>Prerequisite: EEX 5051 or permission of instructor</i> An advanced assessment course for the ESE teacher. The emphasis is on the use and interpretation of instruments and procedures available to the teacher. | Assessing Students with Disabilities (EEX 6225) 3 credits Prerequisite: EEX 2010 or EEX 2091 or EEX 5051 or equivalent at advisor discretion This course describes assessment methods (e.g., instruments, data, procedures), and how they are used and interpreted within multi-tier systems to support and inform instruction of students who are being served in special education and are from cultural, social, and economically diverse backgrounds. |
| EEX 6480 (Revised title, description to meet new standards) | Instructional Design in Special Education (EEX 6480) 3 credits <i>Prerequisites: EEX 5841, EEX 6247</i> <i>Corequisite: EEX 6849</i> An intermediate course to help the learner understand methods of instructional design for students with disabilities. This course is paired with a one-credit graduate teaching practicum. | Instructional Design in Special Education (EEX 6480) 3 credits Prerequisite: EEX 2010 or EEX 2091 or EEX 5051 or equivalent at advisor discretion This course addresses the methods for special educators to use data and knowledge and specialized curricula to improve special education programs for students with exceptionalities using evidence-based practices and effective teaching strategies. |
| EEX 6515 (Revised title, description to meet new standards) | Special Education Policy and Leadership Issues (EEX 6515) 3 credits Course is designed to present school professionals with an overview of the special education leadership and policy issues as well as to examine the skills and knowledge required to supervise and lead high quality programs for students with disabilities. | Special Education Leadership, Policy, and Ethics (EEX 6515) 3 credits Prerequisite: EEX 2010 or EEX 2091 or EEX 5051 or equivalent at advisor discretion This course examines how the history of special education, legal policies, ethical standards, and emerging issues informs special education leadership. This course will also examine how advocacy and professional practice, guided by ethics, promotes advancement of the profession. |

| | | |
|---|--|--|
| <p>EEX 6320 New course to meet updated standards</p> | | <p>Program Evaluation of Special Education Programs, Supports, & Services Prerequisite: EEX 2010 or EEX 2091 or EEX 5051 or equivalent at advisor discretion</p> <p>This course addresses program evaluation for systems, programs, and services to enhance the lives of individuals with exceptionalities. The course will emphasize developing a methodology for continuous progress monitoring and improvement of the implementation of evidence-based practices and structures as a part of the process of program proposal development and evaluation.</p> |

Hi Charles,

In my head, I had replied to this but in the real world, it doesn't look as though I did. There is no conflict for CE and thank you for reaching out. Take care,
Carman

Hi Carman,

Rama is unable to use email, so he asked me to follow up with about the proposed changes in Special Education. Don't mean to be a bother, but the paperwork is due Tuesday September 13. Do you see any conflict with these courses? Hopefully not. Please send Rama a message.

Rama,

Sorry this has taken awhile. I have been waiting on getting faculty feedback. We have no conflict with your proposals, however, we would like for you to consider a course title change for the Leadership course. I will be happy to talk to you about this. Take care. Bob
