Maybe I mixed them up with the K-12. In any case, no conflicts.

Dale,

I was putting together these proposals for submission to the GPC and could not locate your statement of no conflict. I have a number of proposals noted below, as well as one more that I will send later. Could you let me know if there is conflict with your department? See summary of proposals below and supporting attachments. Bob

No conflicts here either. I do have a friend who I worked with years ago that is looking for additional adjunct work. If you need more hands as a result of this change, or just in general, I highly recommend her. Let me know if you want her information. Take care,
Carman
