Revised School Counseling Program Admissions Criteria

1. The student must have a minimum grade point average of **3.0** in the last 60 credits of undergraduate study **or overall 3.0 for all graduate-level coursework.**
2. The student must provide a professional goal statement (one-to-two pages).
3. Three letters of recommendation on each reference's letterhead attesting to the student's suitability for graduate study and entry into the field of professional counseling.

Rationale

We are making the GRE Requirement option for School Counseling Concentration, Master's, Ed.S, and Certificate program optional to be consistent with other SUS and private institutions offering counseling degrees. The department's School Counseling concentration will emphasize a strong undergraduate Grade Point Average for master's degrees and graduate GPAs for Ed.S. and certificate programs (in conjunction with applicants' current/past experiences) in their admission decisions.

Institute	GRE Requirement
FGCU	Applicants with a 3.0 GPA and above are exempt from taking the GRE or MAT. Applicants below a 3.0 GPA must submit a GRE or MAT report taken within the last five years.
FIU	Not required
FSU	Target Scores: Verbal: 145 or above, Analytical: 3.5 or above *NOTE: The GRE admission requirements for master's and specialist programs have been waived through Fall 2026.
