Program Name

BA: Hospitality and Tourism Management Graduate Certificate

☐ **New Program***

☑ **Change Program***

Effective Date
(TERM & YEAR)

Summer 2025

Please explain the requested change(s) and offer rationale below or on an attachment.

No students have been admitted to this program for several years and, at this time it is not possible to project when or if students will again be admitted.

As a requirement of the current accreditation process, as it is listed, this program is the subject of the Assessment process. With no students, there is no performance data to assess.

We would like to place this program "on hiatus' so that the Assessment requirement no longer applies.

In five years, the department will reassess the hiatus and, if appropriate, recommend an additional five-year on the hiatus.

*All new programs and changes to existing programs must be accompanied by a catalog entry showing the new or proposed changes.
