Special Education

Master of Education (M.Ed.)

The master's program is a fully online degree that includes, 36- 39-credit hours and provides students with the knowledge and skills for working with students with disabilities. Full-time students may complete this degree within 16-24 months. The intensive, fast-track special education coursework is designed to allow teachers, administrators, or related field personnel to specialize in Applied Behavior Analysis (ABA), Autism Spectrum Disorders (ASD), and Early Childhood Special Education (ECSE), and **Special Education Intervention Specialist (SEIS)**. Upon completion, students have the option of seeking teacher certification/endorsement in: ASD, ESE K-12, Pre-K Disabilities; Early Intervention Infant Toddler Developmental Specialist training (ITDS); or preparation for the Board-Certified Behavior Analyst (BCBA) exam.

Admission Requirements

1. The student must meet College and University requirements.
2. An undergraduate Grade Point Average (GPA) of at least 3.0 or one letter of recommendation from an employer in an education-related field or current/former university instructor.
3. Personal statement not exceeding three double-spaced pages, indicating the applicant's reasons for pursuing a master's degree and career goals.

Degree Requirements

1. The student must meet College and University requirements.
2. The student must earn grades of "B" or higher in all Special Education courses in the program and will be required to repeat any course in which a grade of less than "B" is earned. (A course can be repeated only once.)
3. The student must complete a minimum of 36 credits in the program.

Dear Chairs,

The Department of Special Education revamped its Master's Degree in Special Education. We have made changes to our admission criteria and updated standards and delivery modes. The revised degree program is offered completely online as of January 2023. We have three concentration areas in the master's track (Applied Behavior Analysis, Autism Spectrum Disorder, and Early Childhood Special education) that went through GPC, Steering, and the Senate and got approved. We are working on the fourth concentration area called the Special Education Intervention Specialist track. This necessitated the creation of two new courses (Literacy Remediation & Interventions for Students with Disabilities and Mathematics Remediation and Intervention for Students with

Disabilities). The syllabi are attached; please review and indicate if there are any conflicts with your Department offerings. Please reply by Monday, March 13. Thank you.

Regards,
R. Ramasamy
