Master of Science with Major in Supply Chain Management

The Master of Science with Major in Supply Chain Management offers a strong curriculum delivering the foundations and principles of Supply Chain Management, Operations Management, Procurement and Sourcing. This curriculum is integrated with concentrated study of Business Analytics, Shipping and Trade to provide students with the key skills and hands-on experience demanded by employers locally, statewide, nationally and internationally. Students are required to complete 30 graduate-level credits with a 3.0 GPA or better to graduate. The program does not offer a thesis option.

Admission

The College of Business seeks a diverse, highly qualified group of graduate students. Applications are evaluated on several factors emphasizing prior academic performance, GMAT or GRE scores, work experience and the potential for scholarly and professional success. Important factors are:

1. A bachelor's degree in any discipline. No business prerequisites are required;
2. A GPA approximately 3.0 or higher over the last 60 undergraduate credits;

~~3. Two or more years of non-industry-specific professional work experience;~~

~~3-4. GRE or GMAT scores more than five years old are normally not acceptable; The GRE and the GMAT requirement is waived for any student who has a baccalaureate degree from FAU's Department of Information Technology and Operations Management (ITOM) with a GPA of at least 3.25 (out of a possible 4.0) in the last 60 credits attempted prior to graduation; A combined score (verbal + quantitative) of at least 295 on the GRE or a GMAT score of 500 or higher. GRE scores more than five years old are normally not acceptable;~~

~~4-5.~~ International students from non-English-speaking countries must be proficient in written and spoken English as evidenced by a score of at least 500 (paper-based test) or 213 (computer-based test) or 79 (internet-based test) on the Test of English as a Foreign Language (TOEFL) or a score of at least 6.0 on the International English Language Testing Systems (IELTS); and

~~5. 6-.~~ Students must meet other requirements of the FAU Graduate College.

Degree Requirements

Students are required to complete 30 graduate-level credits or ten 3-credit courses (5000 level or higher) with a GPA of 3.0 or higher to graduate. The program does not offer a thesis option.
