Effective Date
(TERM & YEAR)

Fall 2020

Please explain the requested change(s) and offer rationale below or on an attachment.

The Department of Theatre and Dance requests the removal of the GRE requirement for prospective graduate students. The MFA in Theatre degree is a pre-professional program offering practical studies in performance, and design and technology as opposed to a traditional academic program. Further, eliminating the GRE requirement aligns us with other MFA degrees in the School of the Arts.

*All new programs and changes to existing programs must be accompanied by a catalog entry showing the new or proposed changes.
