Hi Folks;

Just following up to see if there was any conflict with your department offerings for the new doctoral course proposed by Counselor Education - MHS 7942 Advanced Pacticum in Counselor Education. The original message was sent on 2-11-08 with a follow up on 2-25-08. I know many folks have been tied up with other things or out of town. I do plan to present this course at the next GPC meeting. I look forward to including your statements. Please let me know if you have any questions. Thanks. :)

I've reviewed the syllabus for MHS 7942 (Advanced Practicum). The course does not overlap with the curriculum or courses in our department, nor does

it conflict with our offerings. I support your course proposal.

Good luck with the course!
