Course Description: SPW TBA Cultural Objects in Golden Age

(3 credits)

This course is an exploration of early modernity and its changes through the lenses of its writers. It is approached through the perspective of New Historicism and Material Culture, and focuses on cultural objects in literary texts and daily life (i.e. chocolate, clothing, architecture).

Descripción del curso

Este curso es un acercamiento a la literatura y cultura peninsular del llamado “Siglo de Oro” a través de obras literarias representativas si bien, en este caso, se lleva a cabo desde la perspectiva del nuevo historicismo y la cultura material.

Objetivos

- Estudio de obras literarias de la literatura peninsular de los siglos XVI y XVII.
- Familiarización con las perspectivas del nuevo historicismo y la cultura material en contraste con otras.
- Práctica de la discusión teórica con el fin de contribuir al pensamiento crítico (critical thinking).
- Comprensión de los elementos socio-políticos que aparecen en la representación literaria.
- Observación de los cambios que aporta la entrada en la modernidad.

Descripción de la evaluación en clase

| | |
|----------------------------|--|
| Asistencia y participación | 5% |
| Reflexiones (5) | 20% |
| Presentación del crítico | 15% |
| Examen final | 20% |
| Trabajo final | 40% (Abstract y bibliografía 10%, trabajo 30%) |

Participación: Significa no sólo venir a clase sino contribuir a la discusión de los textos asignados.

Reflexiones: Se trata de un ensayo breve, de 3-4 páginas. Escojan un fragmento de la obra que les haya llamado la atención y coméntenlo. Deben analizarlo de acuerdo con la perspectiva que les parezca más conveniente para ese texto y no necesariamente con el nuevo historicismo. Me entregarán 5 reflexiones por Blackboard y también en papel, a máquina. Deben tenerla lista para discutir el tema el día correspondiente.

Para la **presentación sobre el crítico** (de 10-15 minutos de duración) deben prepararse sobre un crítico que se les asignará el primer día de clase. Debe incluir: 1) Bibliografía y comentario de sus obras más importantes, 2) su contribución a los estudios sobre el Siglo de Oro.

El **examen final** contendrá preguntas generales y específicas sobre el Siglo de Oro.

El **trabajo final** (15-20 págs.) será un análisis original de cualquier aspecto cultural sobre el Siglo de Oro (no necesariamente literatura) y cuyo tema deben discutir conmigo. Precisa la entrega previa de un **abstract** (extracto) con las ideas fundamentales más la **bibliografía**.

ASISTENCIA: Es importante saber que **más de una ausencia sin justificación médica transforma la participación de 5% a 0%**.

PLAGIO: Se espera que sigan las normas de honestidad académica de la universidad. Es crucial que el trabajo presentado sea el propio y también que las ideas de otros autores sean citadas y reciban el crédito debido. De no ser así, se recibe una F por el trabajo o examen. El plagio es una falta grave que conduce al suspensión o expulsión.

Code of Academic Integrity

Students at Florida Atlantic University are expected to maintain the highest ethical standards. Academic dishonesty, including cheating and plagiarism, is considered a serious breach of these ethical standards, because it interferes with the University mission to provide a high quality education in which no student enjoys an unfair advantage over any other. Academic dishonesty is also destructive of the University community, which is grounded in a system of mutual trust and places high value on personal integrity and individual responsibility. Harsh penalties are associated with academic dishonesty. For more information, see the Code of Academic Integrity in the University Regulations at http://www.fau.edu/regulations/chapter4/4.001_Code_of_Academic_Integrity.pdf.

Students are expected to uphold the Academic Honor Code. This includes the use of translator programs or having friends or family revise your assignments.

ALL assignments that you turn in to your instructor for a grade must be your own work. This means that excessive help from tutors or anyone else on graded assignments constitutes academic

dishonesty. If your instructor suspects that an assignment completed outside of class is not entirely your own work, the case will be documented and appropriate disciplinary action will be applied as per the University's Code of Academic Integrity.
