Program Name Combined M.Ed./Ed.S. Degree in Counselor Education	<input type="checkbox"/> New Program* <input checked="" type="checkbox"/> Change Program*	Effective Date (TERM & YEAR) Fall 2020
<p>Please explain the requested change(s) and offer rationale below or on an attachment.</p> <p>The attached catalog changes are intended to cap the number of credits for Ed.S. in the combined M.Ed./Ed.S. program in Counselor Education to a total of 84 credits (including original 60 or 66 credit master's degree in Counselor Education). Additionally, electives for the Ed.S. may include those listed in the catalog, or alternatives approved by a faculty advisor.</p> <p>Currently, the catalog description for Ed.S. for the Combined Program only indicates that a minimum of 72 credit hours beyond the master's must be completed, but does not indicate an upper limit. As all participants in the combined program are FAU M.Ed. students enrolled in one of the three CACREP-accredited counseling master's concentrations (Clinical Mental Health [60 credits], School Counseling [60 credits], and Clinical Rehabilitation Counseling [66 credits]), there is no need to exceed 84 credits for the Ed.S. in the combined program. Combined M.Ed./Ed.S. students completing the Ed.S. in a different area of concentration will be able to complete requisite coursework for certification/licensure within the range of 72-84 credits (including master's degree).</p>		
<p><small>*All new programs and changes to existing programs must be accompanied by a catalog entry showing the new or proposed changes.</small></p>

Combined Master of Education (M.Ed.) and Specialist in Education (Ed.S.) with Major in Counselor Education

This Combined M.Ed. and Ed.S. with major in Counselor Education program may be structured with a Clinical Mental Health Counseling, ~~Clinical Rehabilitation Counseling~~ or School Counseling concentration. It requires at least 12 credits of coursework beyond the 60 minimum of 60 credits needed for the M.Ed. program. Students receive their M.Ed. after completing a minimum of 60 credits of coursework; the Ed.S. is awarded after completion of an additional 12 credits for a total of 72 credits (and no more than 84 credits for the combined program with department permission). Any courses in the Department of Counselor Education can be used to fulfill these requirements with advisor permission.

The Admission Requirements for the M.Ed./Ed.S. are the same as for the M.Ed. The Degree Requirements are also the same except for item 3:

3. The student must complete a minimum 60-credit program of study for the master's degree and complete a minimum of 72 credits for the combined M.Ed./Ed.S. program, with no more than 84 credits.
