Admission Requirements

College of Engineering and Computer Science
Degree: Master of Science (M.S.)
Major: Biomedical Engineering

Important information about applying to Graduate School:

✓ Official Transcripts: Official Transcripts and/or Official Foreign Credential Evaluations must be received from each college or university attended. For more information on how to send transcripts, please visit our website: fau.edu/graduate/apply.

✓ Supporting documentation: Supplemental documents should be uploaded as separate files as part of the online graduate application. NOTE: You will not be able to submit your application until all the supplemental materials are uploaded.

✓ Conduct: A "yes" answer to either of the conduct questions on the online application will require a written explanation. Additional information may be requested when your application is under review. Applications will not be fully processed until all conduct issues are cleared.

✓ Application status: Once your application has been submitted, you can check your application status online to ensure transcripts and test scores have been received.

✓ Residency classification: Your residency classification automatically defaults to non-Florida. After you are admitted, the residency officer will request additional documents by email if needed.

Domestic Students
• A baccalaureate in Biology, Chemistry, Physics, Computer Science or Engineering
• Undergraduate GPA of 3.0
• GRE is required; there are no minimum sub-score requirements* (*Temporarily waived thru Summer 2024)

International Students
• A baccalaureate in Biology, Chemistry, Physics, Computer Science or Engineering
• Undergraduate GPA of 3.0
• GRE is required; there are no minimum sub-score requirements* (*Temporarily waived thru Summer 2024)
• A general evaluation of international transcripts is required; FAU will do the evaluation or it must be done by a NACES member
