

# Graduate Programs

## College of Business

**Degree:** Master of Science (M.S.)

**Major:** Information Technology and Management

**Concentrations:** Information Technology Management and Business Analytics

**Research Areas:** Information Study, Supply Chain Sourcing, Financial Analysis, Frameworks, Methodologies and Standards, Business Analytics

### Important information about applying to Graduate School:

- ✓ **Transcripts:** Submit official transcripts in sealed envelopes from all schools attended.  
NOTE: If you attended one of the Florida State University System institutions, transcripts may be requested electronically. For more information on how to send transcripts, please visit our website: [fau.edu/graduate/apply](http://fau.edu/graduate/apply).
- ✓ **Supporting documentation:** Supplemental applications, letters of recommendation, and/or portfolios should be submitted directly to your graduate program.
- ✓ **Conduct:** A "yes" answer to either of the conduct questions on the online application will require a written explanation. Additional information may be requested when your application is under review. Applications will not be fully processed until all conduct issues are cleared.
- ✓ **Application status:** Once your application has been submitted, you can check your application status online to ensure transcripts and test scores have been received.  
NOTE: Application status will say incomplete until an admission decision has been made.
- ✓ **Residency classification:** Your residency classification automatically defaults to non-Florida. After you are admitted, the residency officer will request additional documents by email if needed.
