Graduate Programs

College of Engineering and Computer Science
Degree: Master of Science (M.S.)
Major: Information Technology and Management
Concentrations: Advanced Information Technology, Computer Science
Data Analytics

Important information about applying to Graduate School:

- **Official Transcripts**: Official Transcripts and/or Official Foreign Credential Evaluations must be received from each college or university attended. For more information on how to send transcripts, please visit our website: fau.edu/graduate/apply.

- **Supporting documentation**: Supplemental documents should be uploaded as separate files as part of the online graduate application. NOTE: You will not be able to submit your application until all the supplemental materials are uploaded.

- **Conduct**: A "yes" answer to either of the conduct questions on the online application will require a written explanation. Additional information may be requested when your application is under review. Applications will not be fully processed until all conduct issues are cleared.

- **Application status**: Once your application has been submitted, you can check your application status online to ensure transcripts and test scores have been received.

- **Residency classification**: Your residency classification automatically defaults to non-Florida. After you are admitted, the residency officer will request additional documents by email if needed.
