FLORIDA CTLANTIC UNIVERSITY

Thesis/Dissertation Progress Report

All thesis/doctoral students are expected to meet with their supervisory committee to present their progress, every semester that they register for thesis/dissertation credits. All members of the supervisory committee are expected to be present at the meeting and provide generous support for student's research efforts. The committee chair must sign the report. *Please note, virtual meetings and e-signatures are encouraged until further notice.*

Committee Meeting Date:

Student's Name:

Student "Z" Number:

Student's Program:

Student's Anticipated Graduation Semester and Year:

Briefly describe the student's progress made to date on his/her research and highlight the major accomplishments, including research publications (indicating published, submitted, and/or in preparation).

Please provide any suggestions, comments, and/or concerns that the committee members have on student's progress. Also, please list items that the student is expected to complete before the next progress meeting and indicate if they are on pace to graduate in the anticipated term.

Total number of dissertation/thesis credits earned:

Is student currently a Graduate, Teaching, or Research Assistant? Yes No
