ACCOUNTING
MASTER OF ACCOUNTING (M.AC.)
EXECUTIVE PROGRAM

Concentrations:

~~Business Valuation~~

Digital Accounting Forensics and Data Analytics

Forensic Accounting

Forensic Accounting and Business Valuation

Forensic Accounting and Digital Accounting Forensics

Internal Auditing

Professional Accounting

Tax

(Minimum of 30 credits required)

Students with an accounting background will likely receive a waiver for all Accounting Foundation courses. Students without an accounting background or those who did not perform at a satisfactory level in undergraduate courses may have to resolve deficiencies through the Accounting Foundation Component.

Executive Master of Accounting (M.AC.) - 30-36 credits depending on the specialization plus business and accounting foundation courses, if needed

Because students in the Executive Program typically have significant work experience, substitutions for classes may be needed when a student already has demonstrated expertise in a particular area. Substitutions may be approved by either the Director of the School of Accounting or the Academic Director of the School of Accounting Executive Programs.
