Catalog Change - OE PhD Supervisory Committee section

Current language

Supervisory Committee

In consultation with the student and the advisor, a supervisory committee will be nominated by the department chair, approved by the dean of the College of Engineering and Computer Science and appointed by the Graduate College.

The supervisory committee shall consist of no fewer than four members selected from the Ocean and Mechanical Engineering faculty. Additional members can be from the Ocean and Mechanical Engineering Department, other departments, other universities or from industry.

The committee will include at least one person selected from the faculty from outside the discipline of the student's major. If the student elects or is required to select a minor, this member of the supervisory committee shall represent the discipline selected as the minor.

NEW language

Supervisory Committee

In consultation with the student and the advisor, a supervisory committee will be nominated by the department chair, approved by the dean of the College of Engineering and Computer Science and appointed by the Graduate College.

The supervisory committee shall consist of no fewer than four members **of which at least two should be** selected from the Ocean and Mechanical Engineering faculty. Additional members can be from the Ocean and Mechanical Engineering Department, other departments, other universities or from industry. **Additionally, the supervisory committee shall be in compliance with any other university requirement.**

The committee will include at least one person selected from the faculty from outside the discipline of the student's major. If the student elects or is required to select a minor, this member of the supervisory committee shall represent the discipline selected as the minor.
