Rationale for course numbering change from 5000 to 6000 level numbers for TSL 5345, EDG 5705, TSL 5440, TSL 5142

TSL 5345 (6345)

Addition of Sheltered Instruction Lesson Plan assignment that requires research-based justification for practices.

Addition of oral language observation matrix that asks students to link various theoretical tenets to support their rationale for assessment.

EDG 5705 (6705)

Addition of competency assessment that now focuses on a written research project asking students to complete an analysis of the research organized and synthesized to highlight central themes in the literature, diverse perspectives on the problem/ solution (where appropriate), and a skillful balance of the description of specific interventions or studies and the analysis of them.

TSL 5440 (6440)

Addition of assignment to present a critical evaluation of five informal assessments according to evidence-based ELL student profiles.

Addition of assignment to identify Florida policies that inform IEP trajectory of three ELLs of differing backgrounds.

TSL 5142 (6142)

The addition of an assignment that asks the student to create a synthesis of critical discourse analysis frameworks and to apply these lenses to critique the content and accessibility level of a curriculum material of choice for WIDA-leveled English language learners.

The addition of an assignment that requires students to revise 5 lessons within a curriculum unit to adhere to a series of accommodations for English language learners. Students will have to make additional revisions for English learners in the following categories, justifying the instructional practice with relevant research: those who are new immigrants, who are not literate in their first language, who have missed significant years of schooling, those who use a different alphabet or writing system than English.
