## Public Ethics and Leadership Graduate Certificate

This graduate certificate program is available to students who have completed an undergraduate degree. Students may enroll in this certificate program while pursuing a graduate degree at FAU or independent of other graduate work.

For admission to this certificate program, students will need to have a B average (3.0) at the graduate level or an overall undergraduate GPA of 3.0. Students not matriculating at FAU will need to complete a non-degree seeking student application through the FAU Registrar's Office. Credits earned for graduate degree programs will also count for the certificate if approved by advisors in both programs. Applications for the certificate should be submitted to the graduate (masters) programs coordinator in the School of Public Administration upon successful completion of the required courses with a minimum grade of "B" in each.
