CHANGE(S) ARE TO BE EFFECTIVE (LIST TERM) SPRING 2012	TERMINATE COURSE (LIST FINAL ACTIVE TERM)
<b>MEMO: CATALOG CHANGE/AMENDMENT</b> <b>Master of Science with Major in Nursing</b>  <b>Admission Requirements</b>  #6. Remove the admission requirement of a baccalaureate level course in health assessment and pharmacology as part of the nurse practitioner track admission requirement and the Advanced Holistic Nursing Track.	<b>CURRENT CATALOG STATEMENT:</b> <b>Master of Science with Major in Nursing</b>  <b>Admission Requirements</b>  #6. For applicants who wish to prepare for a nurse practitioner track or the Advanced Holistic Nursing Track, the following baccalaureate-level courses are required: Health Assessment and Pharmacology. Students are also encouraged to take a baccalaureate-level pathophysiology course.  <b>Rationale for Change:</b>  Beginning 2008, health assessment and pharmacology have been part of the BSN CNE Essentials, and prior to this the course were integrated and difficult to determine if requirement had been met. This change will facilitate the admission process and increase the qualified applicant pool -- a significant number of applicants do not have identifiable courses in these areas.
Attach syllabus for ANY changes to current course information.	
Should the requested change(s) cause this course to overlap any other FAU courses, please list them here.  None	Departments and/or colleges that might be affected by the change(s) must be consulted and listed here. Please attach comments from each.  None, courses are taught in the College of Nursing
