Doctor of Philosophy with Major in Computer Engineering or in Computer Science

Doctor of Philosophy with Major in Computer Science: Data Science and Analytics Concentration

Residency Requirements

~~After passing the Qualifying Examination, a doctoral student must spend two consecutive semesters at FAU, i.e., must register for a minimum of 9 credits for each of those semesters, and at least one of those semesters must occur while the student holds candidacy status.~~

Professional Doctor of Philosophy with Major in Computer Science

Residency Requirements

~~This is a low-residency program. Graduate students are required to enroll for at least 1 credit during at least two semesters (fall, spring or summer) of every academic year in order to remain eligible for the degree. Students must be enrolled for a minimum of 1 credit during the semester of graduation.~~

Doctor of Philosophy with Major in Electrical Engineering

Residency Requirements

~~A student must spend at least two consecutive semesters as a full-time student at Florida Atlantic University registered for a minimum of 9 credits each semester.~~
