RE: Program Codes

Please accept this memo as a request to move program codes in the College of Education to "inactive" status, until further notice. This request should remove these codes from active inclusion in all university systems, especially in regard to graduate applications, catalog offerings, and Banner coding linked to data sets. The college understands that we reserve the right to reactivate any of the codes at a future date.

It is our intention to notify the Registrar's Office shortly in regard to the recoding the identified students currently enrolled in inactive program codes. Once this list is submitted and our students are correctly reassigned, please begin the effective date for the change to inactive status.
