Graduate Programs

College of Engineering and Computer Science

Degree: Master of Science (M.S.)
Major: Biomedical Engineering

Important information about applying to Graduate School:

✓ Official Transcripts: Official Transcripts and/or Official Foreign Credential Evaluations must be received from each college or university attended. For more information on how to send transcripts, please visit our [website](http://www.ceecs.fau.edu/graduate/ms/bioengineering/).

✓ Supporting documentation: Supplemental documents should be uploaded as separate files as part of the online graduate application. NOTE: You will not be able to submit your application until all the supplemental materials are uploaded.

✓ Conduct: A "yes" answer to either of the conduct questions on the online application will require a written explanation. Additional information may be requested when your application is under review. Applications will not be fully processed until all conduct issues are cleared.

✓ Application status: Once your application has been submitted, you can check your application status online to ensure transcripts and test scores have been received.

✓ Residency classification: Your residency classification automatically defaults to non-Florida. After you are admitted, the residency officer will request additional documents by email if needed.

Admission Requirements

<table>
<thead>
<tr>

Application Deadlines

**Domestic Students**

- Fall: July 1
- Spring: November 1
- Summer: April 1

**International Students**

- Fall: February 15
- Spring: July 15 *Temporary extension: Oct. 1
- Summer: January 15

Research Areas:

- Bioinformatics and Data Mining, Tissue Engineering and Nanotechnology,
- Robotics for Biotechnology, Image Processing for Bio-Imaging and for Bio-Image-Informatics,
- Technology Solutions in Health Care Engineering.
