Graduate Programs

College of Engineering and Computer Science

Degree: Master of Science (M.S.)
Major: Civil Engineering

Important information about applying to Graduate School:

- **Transcripts**: Submit official transcripts in sealed envelopes from all schools attended. NOTE: If you attended one of the Florida State University System institutions, transcripts may be requested electronically.
- **Supporting documentation**: Supplemental documents should be uploaded as separate files as part of the online graduate admissions application. NOTE: You will not be able to submit your application until all the supplemental materials are uploaded.
- **Conduct**: A "yes" answer to either of the conduct questions on the online application will require a written explanation. Additional information may be requested when your application is under review. Applications will not be fully processed until all conduct issues are cleared.
- **Application status**: Once your application has been submitted, you can check your application status online to ensure transcripts and test scores have been received. NOTE: Application status will say incomplete until an admission decision has been made.
- **Residency classification**: Your residency classification automatically defaults to non-Florida. After you are admitted, the residency officer will request additional documents by email if needed.

Application Deadlines

**Domestic Students**

- **Fall**: July 1
- **Spring**: November 1
- **Summer**: April 1

**International Students**

- **Fall**: February 15
- **Spring**: July 15
- **Summer**: January 15

Admission Requirements

**Domestic Students**

- B.S. in Engineering or equivalent
- Undergraduate GPA of 3.0
- GRE is required; there are no minimum sub-score requirements
  
  This requirement is waived for applicants with a Civil or Environmental Engineering Bachelor’s degree from any ABET-accredited program and applicants who have passed the Fundamentals of Engineering exam.
- A letter of recommendation is required for applicants with non-engineering bachelor’s degrees

**International Students**

- B.S. in Engineering or equivalent
- Undergraduate GPA of 3.0
- GRE is required; there are no minimum sub-score requirements
  
  This requirement is waived for applicants with a Civil or Environmental Engineering Bachelor’s degree from any ABET-accredited program and applicants who have passed the Fundamentals of Engineering exam.
- A letter of recommendation is required for applicants with non-engineering bachelor's degrees
- A general evaluation of international transcripts is required; FAU will do the evaluation or it must be done by a NACES member
- TOEFL score of 550 on PBT (paper-based test) or 79 IBT (internet-based test) or 213 CBT (computer-based test); IELTS 6.0; Duolingo 100

Research Areas:

- Infrastructure, Preparedness and Catastrophic Events Management
- Environmental Sustainability
- Intelligent Transportation System
- Smart and Green Materials
