Graduate Programs

College of Engineering and Computer Science

Degree: Doctor of Philosophy (Ph.D.)
Major: Electrical Engineering
Concentration: Neuroengineering

Important information about applying to Graduate School:

- **Official Transcripts:** Official Transcripts and/or Official Foreign Credential Evaluations must be received from each college or university attended. For more information on how to send transcripts, please visit our [website](#).

- **Supporting documentation:** Supplemental documents should be uploaded as separate files as part of the online graduate application. NOTE: You will not be able to submit your application until all the supplemental materials are uploaded.

- **Conduct:** A "yes" answer to either of the conduct questions on the online application will require a written explanation. Additional information may be requested when your application is under review. Applications will not be fully processed until all conduct issues are cleared.

- **Application status:** Once your application has been submitted, you can check your application status online to ensure transcripts and test scores have been received.

- **Residency classification:** Your residency classification automatically defaults to non-Florida. After you are admitted, the residency officer will request additional documents by email if needed.

Application Deadlines

**Domestic Students**
- Fall: July 1
- Spring: November 1
- Summer: April 1

**International Students**
- Fall: February 15
- Spring: July 15 *Temporary extension: Oct. 1
- Summer: January 15

Admission Requirements

**Domestic Students**
- Master’s degree in Engineering, Computer Science or related discipline
- GPA of 3.3 in the last 60 credits attempted in the relevant field
- GRE is required; there are no minimum sub-score requirements
- Two letters of recommendations

**International Students**
- Master’s degree in Engineering, Computer Science or related discipline
- GPA of 3.3 in the last 60 credits attempted in the relevant field
- GRE is required; there are no minimum sub-score requirements
- Two letters of recommendations
- A general evaluation of international transcripts is required; FAU will do the evaluation or it must be done by a NACES member
