Graduate Programs

College of Engineering and Computer Science

Degree: Doctor of Philosophy (Ph.D.)
Major: Mechanical Engineering
Concentrations: Neuroengineering, Aerospace Engineering

Important information about applying to Graduate School:

- **Official Transcripts**: Official Transcripts and/or Official Foreign Credential Evaluations must be received from each college or university attended. For more information on how to send transcripts, please visit our [website](#).

- **Supporting documentation**: Supplemental documents should be uploaded as separate files as part of the online graduate application. NOTE: You will not be able to submit your application until all the supplemental materials are uploaded.

- **Conduct**: A "yes" answer to either of the conduct questions on the online application will require a written explanation. Additional information may be requested when your application is under review. Applications will not be fully processed until all conduct issues are cleared.

- **Application status**: Once your application has been submitted, you can check your application status online to ensure transcripts and test scores have been received.

- **Residency classification**: Your residency classification automatically defaults to non-Florida. After you are admitted, the residency officer will request additional documents by email if needed.

## Admission Requirements

### Domestic Students

- Master’s degree in engineering or a related field from a recognized institution. A student with outstanding scholastic achievement who holds only a baccalaureate degree may be admitted directly to the Ph.D. program.
- A GPA of 3.0 or better in the last 60 credits of work attempted
- GRE is required; there are no minimum sub-score requirements
- Three letters of recommendation

### International Students

- Master’s degree in engineering or a related field from a recognized institution. A student with outstanding scholastic achievement who holds only a baccalaureate degree may be admitted directly to the Ph.D. program.
- A GPA of 3.0 or better in the last 60 credits of work attempted
- GRE is required; there are no minimum sub-score requirements
- Three letters of recommendation
- A general evaluation of international transcripts is required; FAU will do the evaluation or it must be done by a NACES member
- TOEFL score of 550 on PBT (paper-based test) or 79 IBT (internet-based test) or 213 CBT (computer-based test); IELTS 6.0; Duolingo 100

### Application Deadlines

#### Domestic Students

- Fall: July 1
- Spring: November 1
- Summer: April 1

#### International Students

- Fall: June 1
- Spring: October 1
- Summer: March 1
