

Ocean Discovery Visitors Center Volunteer Form

Thank you for your interest in volunteering with the Ocean Discovery Visitors Center (ODVC). The ODVC is the public's gateway to FAU's Harbor Branch Oceanographic Institute. It houses interactive exhibits, small aquaria, and a video theater, which showcase the research efforts of our scientists and engineers. The ODVC is open Tuesday- Saturday from 10 am- 4 pm.

We are currently seeking attendants for the ODVC Welcome Desk. Duties include greeting and recording visitors as they arrive, as well as answering phones, responding to general inquiries about our programs and assisting with basic computer work. No experience is necessary and training will be provided.

If you are interested in ODVC opportunities, please complete this form (in addition to the FAU Harbor Branch Volunteer Application).
