

Graduate Programs

Charles E. Schmidt College of Science

Degree: Master of Science (M.S.)

Major: Marine Science and Oceanography

<https://www.fau.edu/hboi/education-and-outreach/graduate-programs/ms-marine-science-and-oceanography/>

Important information about applying to Graduate School:

- ▮ **Official Transcripts:** Official Transcripts and/or Official Foreign Credential Evaluations must be received from each college or university attended. For more information on how to send transcripts, please visit our website: [fau.edu/graduate/apply](https://www.fau.edu/graduate/apply).
- ▮ **Supporting documentation:** Supplemental documents should be uploaded as separate files as part of the online graduate application. NOTE: You will not be able to submit your application until all the supplemental materials are uploaded.
- ▮ **Conduct:** A "yes" answer to either of the conduct questions on the online application will require a written explanation. Additional information may be requested when your application is under review. Applications will not be fully processed until all conduct issues are cleared.
- ▮ **Application status:** Once your application has been submitted, you can check your application status online to ensure transcripts and test scores have been received.
- ▮ **Residency classification:** Your residency classification automatically defaults to non-Florida. After you are admitted, the residency officer will request additional documents by email if needed.

Admission Requirements

Domestic Students

- Ç Cumulative GPA of 3.0 or better for undergraduate credits.
- Ç Two letters of recommendation, ideally from faculty or supervisory professional scientists.
- Ç Resume
- Ç Essay - describe your academic and professional preparation, and goals for graduate school.
- Ç Advisor Form. Obtain an "advisor" from within the faculty of the MS-MSO program. This process should be started at least three months prior to submission deadline.

International Students

- Ç Cumulative GPA of 3.0 or better for undergraduate credits.
- Ç Two letters of recommendation, ideally from faculty or supervisory professional scientists.
- Ç Resume
- Ç Essay - describe your academic and professional preparation, and goals for graduate school.
- Ç Advisor Form. Obtain an "advisor" from within the faculty of the MS-MSO program. This process should be started at least three months prior to submission deadline.
