Florida Atlantic is proud to be a **National Merit** college sponsor.

LEARN FROM THE BEST

Our full-time faculty is composed of **gifted teacher-scholars** who also serve as advisors to students. With a **15:1 student to faculty ratio**, classes are small, and students enjoy **personal attention** from professors.

WORK WITH WORLD-CLASS SCIENTISTS

Our students have **unparalleled access** to **world-class scientists** through Florida Atlantic's nearby Harbor Branch Oceanographic Institute and our on-campus partners:

- **Max Planck** Florida Institute for Neuroscience
- Florida Atlantic **Stiles-Nicholson Brain Institute**
- Wertheim UF **Scripps Institute**

STUDY ABROAD OR INTERN

We believe that applying your **learning beyond the classroom** is so important that we require an internship or study abroad experience. These **life-changing experiences** build confidence and self-awareness.

ENGAGE IN UNDERGRADUATE RESEARCH

From art to science to politics, our students **contribute original work** through their honors thesis. Over 100 students have co-authored top-quality, peer-reviewed publications with their **research mentors**.

GET INVOLVED

LIVE AND STUDY

Together

All first and second-year students are required to **live on campus** where lifelong friendships are formed. Our students enjoy individual bedrooms within suites or spacious double rooms.
