- Offering an honors course proposed by a college at another college:
 - ENC 1102 H English Composition (syllabus attached)Because it did not exist/was offered at the WHC, we (Dean Pratt, their Deans, and I) met a few years ago to discuss and agreed that to help and expand the offers for our University Honors Program (Boca Campus), we could have departments in Boca propose such honors course. ENC 1102, FIL 2000, LAS 2000 Honors are three such courses.
In order to keep the process clear for the Registrar (which needs to add the course to Banner and to the catalog under that college—WHC in this case), and in conversations with all parties involved, the UHC has been asked to review this course syllabus and send a memorandum to the Registrar so that they can go ahead and make the additions.

6) Announcements : Please let your students and colleagues know about the Truman Fellowship (flyer attached). It is a \$30,000.00 scholarship toward graduate study for students determined to go on a path of service in the public sector.
