Housing Assignments

- **Housing Assignments will be by the resident's Priority Group and Tuition Deposit Date. NOT by Application date:**
 - Priority groups are based on the student's year of entry.
 - Within each priority group housing assignments will be determined by the student's tuition deposit date to the university.
 - For roommate groups, the roommate's year of entry and tuition deposit date will also be a consideration. We do our best to keep roommate groups together, but we prioritize students in Priority Groups 1 and 2 in the assignment process. It is possible that students in your roommate group will not be assigned with you or not assigned if they are in Priority Groups 3 and 4.

1 st Priority Group	Spring residents who started in Summer/Fall 2025 or Spring 2026 as first-year students. (Students are required to live on campus for their 2 nd year). All Flaglar scholarship recipients.
2 nd Priority Group	Spring residents who started in 2024 or spring 2025 and Transfer residents who started during 2025 or 2026
3 rd Priority Group	Spring residents who started in 2023
4 th Priority Group	Spring residents who started in 2022
5 th Priority Group*	Spring residential Graduate students and 2 nd bachelor degree students
