

Statement of Criminal Record

This item MUST be completed in order for the Student to be assigned. Residents are under a continuing duty to report convictions of crime, even if adjudication or sentence has been withheld. This duty includes specifying the nature of the crime, when and where it occurred and the case number. This information must be provided with this contract, or in the event of a conviction occurring after the submission of the contract, it should be provided in writing to the Director of Housing and Residential Education or designee within ten (10) days of the conviction. By signing this contract, the Student agrees to this term, as well as to the continuing duty to comply with this provision.

Have you ever been convicted of a crime, either a misdemeanor or felony, anywhere, either within or outside of the United States? (A plea of no contest, or its equivalent, or a withholding of adjudication, or its equivalent, is still a conviction for purposes of this contract.)

No Yes

If the answer is yes, please provide the following information on a separate page:

- Case number
- Nature of the crime
- When and where the crime occurred

Building and Room Preferences

Every effort is made to assign students according to the indicated preferences; however, **preferences are not guaranteed.** Roommate requests are given priority over room type in room assignments, and may prevent students from receiving their room preferences in order to fulfill that request. If your preference is not available, the next closest living style will be assigned. When preferred space is filled, contracts and assignments will not be cancelled and payment will not be refunded. To increase your chances of getting your room preference, apply early.

Student Information Release

In accordance with the provisions of the Buckley Amendment and the Family Educational Rights and Privacy Act (FERPA), the Department of Housing and Residential Education cannot release certain information contained in the Student’s educational records, including financial information. The FAU Consent to Release Confidential Student Information form can be found at <http://www.fau.edu/registrar/pdf/Docs/UniversityFERPAWaiverForm.pdf>. Students who would like parents, guardians, or others to be able to have access to their housing information must complete the form, making sure to check the box for Housing and Residential Education, and submit it to the Office of the Registrar. Information will not be released to a third party without a completed form.

Florida Pre-Paid “Dormitory Plan” Information

Students who have the Florida Pre-Paid “Dormitory Plan” will be given a priority assignment, provided the completed housing contract is returned by **May 1**. Traditionally, the “Dormitory Plan” portion of the Florida Pre-Paid College Program covers only the rate for the least expensive double room in Glades Park Towers or Heritage Park Towers. Florida Pre-Paid is responsible for setting the award amount on a year-by-year basis and may choose to provide more or less coverage. **Florida Pre-Paid determines the allowable housing amount by June 1 of each year.** You may “upgrade” your requested preferences but are responsible for paying any additional costs. You must indicate on the first page of this contract that you are a Florida Pre-Paid “Dormitory Plan” participant in order to receive a priority assignment. The “Dormitory Plan” will not cover the \$100.00 non-refundable administrative processing charge.

E-mail as Official Method of Communication

FAU’s primary source for correspondence with students is through the student’s FAU email. Messages sent by the University may include time-sensitive information regarding student accounts, announcements, and class information. Students are responsible for checking their FAU email on a regular basis and should clean out their email boxes diligently to ensure all mail is delivered. For more information regarding MyFAU and email, visit www.fau.edu or contact the OIT Help desk at 561-297-3999. Students should add housing@fau.edu to their email address contact list in order to avoid having important mail filtered in to “junk” mail.

The Department of Housing and Residential Education utilizes email to communicate information including, but not limited to: assignments, billing issues, and waiting list status.

Contract Terms and Conditions

- RESIDENCY REQUIREMENT:** All FTIC Honors College students are required to live in University housing for the first two years of their enrollment. Exceptions are made for students who are 21 years of age or older on the date of their initial matriculation at the Honors College or for students who are married, or have dependent children. Transfer students entering the Wilkes Honors College with a fully completed associate of arts degree or who have completed two years of college previously, which they pursued after high school, do not need to live on campus. Transfer students who have completed one year of college are required to live on campus for one year. Spring transfer students who have only completed one semester of college are required to live on campus for three semesters. Students who wish to be exempt should apply for an exemption by July 1 for fall and December 1 for spring. Requests for exemption will be heard by the housing contract appeals committee. All decisions of the committee shall be considered final. **Once the contract is signed and the academic year has begun, an exemption will not be granted, nor will the contract be cancelled for this purpose.**
- ELIGIBILITY FOR RESIDENCY:** Degree seeking undergraduate students enrolled taking at least 9 credit hours and degree seeking graduate students taking at least 6 credit hours are eligible and may apply for University Housing. In order to take less than 9 credit hours (undergraduate) or 6 credit hours (graduate), a student must apply for an exception. Requests for exception will be heard by the housing contract appeals committee. All decisions of the committee shall be considered final. Unless an exception is granted, undergraduate students who drop below 9 credit hours or graduate students who drop below 6 credit hours are no longer eligible for University Housing and will be subject to the cancellation provisions in Paragraph 17, below.
- CONTRACT TERMS AND CONDITIONS:** This contract is for a space in the University Housing system, and covers the entire:
 - Academic year (both Fall and Spring semesters), or any portion of the academic year remaining at the time this contract is signed.
 - Spring semester only or any portion of the contract remaining at the time this contract is signed.

Residing in the University Housing system at Jupiter requires participation in the University's residential dining program. The student will be assessed all charges for the contract term if the student enrolls but does not occupy the assigned space and has not cancelled this contract in writing pursuant to paragraph 17. The Summer term is not included in this contract.

- OCCUPANCY PERIOD:** The contract covers the student's residency from the official opening of University Housing through 24 hours after the student's last final exam of the FAU Spring semester or until noon on the last day of the Spring semester per the FAU Academic Calendar, whichever comes first. The official opening date for University Housing can be found at www.fau.edu/housing/jupiter. Students who will not be enrolled for the Spring semester must check out within 24 hours after the student's last final exam of the FAU Fall semester or by noon on the last day of the Fall semester per the FAU Academic Calendar, whichever comes first. University Housing considers the student to be occupying the assigned accommodation when the student signs for room keys at check-in day and keys are returned to the Department at checkout. Jupiter Housing is closed between the fall and spring semester beginning 24 hours after the final fall commencement. Jupiter Housing is closed between the spring and summer semester beginning 24 hours after the final spring commencement.

5. **PAYMENT OF CHARGES:** The student agrees to accept the assigned space in University Housing and pay housing charges on or before the published payment dates, which can be found on the web at http://www.fau.edu/controller/student_information/pdfs/fee_bulletin.pdf. Current fees can be found at www.fau.edu/housing/jupiter. It is the responsibility of the student to routinely check their student account to determine outstanding balances. Students who receive financial aid awards are required to pay all housing costs not covered by their awards (after tuition and fees are paid), by the payment date set by the University. Financial aid may not be used to pay the required non-refundable application fee. Room rates are reduced only for the student who is assigned a space AFTER the conclusion of the FIRST WEEK of classes. Rates are also adjusted on a pro-rated basis if the room type changes. **Failure to pay charges in a timely manner will be a material breach of this contract.** Any outstanding balance remaining on the student's account as of sixty (60) days prior to the first day of classes for the semester may result in the loss of housing assignment, but will not release the student from the financial obligations under this contract.
6. **CHECK OUT:** The student must check-out within 24 hours after the student's last final exam of the Spring semester (Fall semester for those not enrolling for the Spring semester), or by noon on the last day of the semester per the FAU Academic Calendar, whichever comes first. This will not extend the student's contract term beyond that set out in paragraphs 3 and 4 above. The student is to vacate the space within 48 hours after withdrawal or dismissal from the University, or be held liable for room charges beyond their last date of attendance. Failure to move out within the prescribed period may result in a \$150 per day charge, eviction, conduct action, or any or all of the foregoing. In the case of eviction, the University will not be held responsible for student belongings and reserves the right to take possession of and discard such belongings, change all applicable locks/replace fobs, and charge the student for all necessary expenses. The student is expected to complete a proper check out prior to leaving the assigned space, as outlined in the *Community Guide* available in the FAU Housing website. When one occupant in a room/suite moves out while others remain, each is equally and jointly responsible for cleaning the room, bathroom, and suite. If any of those spaces are found to be in an unacceptable condition, cleaning services will be provided and all residents will be held liable for cleaning charges (see also paragraph 13). The student must also complete and acknowledge receipt of an electronic room inspection form and return all keys to the Area Office. If the student is departing prior to the end of the academic year, a contract Release Request form must be completed prior to checkout (see also paragraph 17). Failure to comply with this process may result in additional charges.
7. **ASSIGNMENT:** Florida Atlantic University is an equal opportunity institution and, in accordance with University Regulations, does not unlawfully discriminate on the basis of a student's status in a protected class. University Housing is assigned in accordance with the University's respect for personal dignity and the Department of Housing and Residential Education's Community Standards. Basic housing is a suite occupied by four persons of the same gender.
8. **ASSIGNMENT PROCEDURES AND PRIORITIES:** All fall residents who do not have a University balance have first priority to complete a housing contract and select a room until the final date of the "Room Selection Process". Fall residents who contract after November 14 will be assigned housing based on availability. Preferences are based on availability and cannot be guaranteed. Residents in which the housing contract and \$100 non-refundable processing charge are received by the Department of Housing and Residential Education after established deadlines for selecting their housing preference will be assigned a room based upon preferences submitted by the student as available spaces allow. The student agrees to accept the assigned space, regardless of preference, and may only cancel the contract according to those terms outlined in paragraph 17.

As space becomes limited, preference will be given to incoming Freshmen/First-Time-in-College students and students who live further than 30 miles from the campus.

9. **USE OF ASSIGNED SPACE:** Occupancy of space is permitted only by the student to whom the space is assigned. Space may not be sublet to any other person(s). The student may not share assigned space with any other individual(s) not officially assigned by the University. The student may not refuse or prevent another assigned student from residing in a shared space (bedroom or suite). If the student refuses or prevents a new occupant from residing in a shared space, conduct action (including eviction), single room rental fees, or both, may be imposed on the student (see also paragraph 11). Use of space for specific visitation and guest policy information is governed by the *Community Guide* available on the FAU Housing website.
10. **CHANGES IN ASSIGNMENTS:** Room changes may be made only after written approval is communicated from the Department of Housing and Residential Education. Failure to follow established room change procedures as outlined in the *Community Guide* available on the FAU Housing website, will constitute breach of this contract and may be grounds for cancellation, charges for occupying a second room, conduct action, or any of the foregoing. The University reserves the right to reassign a resident due to unforeseen events, including, but not limited to, enrollment fluctuations, facility problems, or staff changes.
11. **CONSOLIDATION AND VACANCY OPTION:** Consolidation is defined as the moving together of residents by University Housing who are paying for a double occupancy room but for some reason, not necessarily because of their actions, are currently in a room with no assigned roommate; or are living in a 4-bedroom suite with empty rooms within the suite. Normally a 4- bedroom suite is occupied by 4 students. If one or more of occupants does not check in, or, later moves out, the remaining residents may be required to consolidate, at the option of the University (see also Paragraphs 9 and 10). For specific information on consolidation, please see the *Community Guide available on the FAU Housing website*.
12. **BEHAVIOR AND CONDUCT:** The Student is responsible for knowing and observing University policies, rules, regulations and procedures as set forth in the FAU Student Handbook, Student Code of Conduct Regulation 4.007, and the *Community Guide*. These resources are available online at <http://www.fau.edu/studentconduct> and <http://fau.edu/housing/communityguide/> . The student is also responsible for observing all applicable federal, state, and local regulations and laws. The University reserves the right to make other rules and regulations as in its judgment may be necessary for the safety, care, and cleanliness of the premises and for the preservation of order. Student agrees to abide by all additional rules and regulations that are adopted. ***Any student whose contract is terminated as a result of violating FAU Regulation 4.007, Student Code of Conduct, Community Guide or as a result of any other disciplinary sanction, will be held financially responsible for the full amount of the contract for the remainder of the contract term.*** Failure to abide by all University policies, rules, regulations and procedures and federal, state and local regulations and laws may result in contract modification or termination, as described further in paragraph 18 (Contract Modification or Termination).
13. **ANIMAL POLICY:** Possession of animals, other than fish as defined below, are prohibited. Any cost associated with the possession of an illegal animal will be charged to the responsible resident(s) or to all residents of the room/apartment, (damaged furniture, cleaning, pest control, etc.). Feeding or petting stray or wild animals is prohibited. Fish, may be maintained as pets, as long as they are kept in fish tanks which are no larger than 10 gallon capacity. Residents are responsible for maintaining the tanks and are responsible for any and all damage caused by the fish or the tank. This policy shall not affect the approval process of service animals or verification process of emotional support animals by Student Accessibility Services. **Failure to comply with this process as outlined by SAS <https://www.fau.edu/sas/current/animals.php> regarding services animals and www.fau.edu/sas/esa.php emotional support animals may result in a Code of Conduct Violation and/or a breach of the Housing Contract.**

14. **CARE OF FACILITIES:** The Student is responsible for care of rooms, furnishings, and equipment in University Housing. Student is responsible for keeping the assigned unit clean and sanitary. In order for the campus to remain committed to environmental responsibility, the student is responsible for disposing of trash and recyclable materials in bins provided in all common areas. The student agrees to cooperate with suitemates in the common protection of University and personal property. The student also agrees to refrain from modifying the space in any way, except as expressly permitted in writing by the University Housing Office, and to promptly pay all assessed charges for damages, special cleaning, or maintenance resulting from misuse or modification of the facility. The student is jointly liable with suitemates for assessed charges in the room, suite, or common area of the residence hall, unless the responsible individual is identified.
15. **KEYS/FOBS/CARD ACCESS:** The student agrees not to duplicate any keys/fobs assigned, or to transfer their keys/fobs or identification card to another person, and will be subject to conduct action or termination of this contract if this occurs. If keys/fobs are not returned at check out, or if the keys/fobs are lost or stolen, the student agrees to pay for all lock changes and key replacements. The student is responsible for securing the assigned unit at all times and taking such precautions as is necessary for personal and property protection.
16. **EMERGENCY ACCESS:** The University reserves the right to have authorized University staff, property management personnel, state officials, and other authorized personnel enter the student's rooms/apartments/suites with prior notice (24 – 48 hours) at reasonable times to inspect, maintain, and repair the premises and furnishings. Students are expected to promptly report damages and necessary repairs, in accordance with established and published procedures. In the event of an emergency, notice may be given immediately before entering.

In accordance with the *Community Guide*, when authorized personnel have a reasonable belief that a violation of a University or Housing regulation, local ordinance, state or federal statute is in progress, and/or other emergency purposes exist, they may enter the student's rooms/apartments/suites without notice. Student's signature on this contract and/or online submission electronically of this contract constitutes explicit consent for authorized personnel to enter the student's rooms, apartments, and/or suites without notice for such purposes.

17. **LIMITATION OF UNIVERSITY LIABILITY:** The University is not liable for damage to or loss of personal property, or failure or interruption of utilities. The University is insured under the State of Florida's self-insurance trust fund, which only provides limited liability coverage in accordance with the provisions of Florida Statute section 768.28, for damages or injuries caused by negligence by the University or its employees while working within the scope of their employment. The trust fund will not reimburse for losses created by unforeseen events, accidents, injuries, or theft that may occur.
