Preparing for Move-in Day

If you plan to have any of your items mailed or sent via parcel post, please make arrangements for an arrival date after your initial move-in day.

FAU Jupiter Housing
In order to follow current public-health guidance this semester, please take the time to carefully review each item.

1. **Health and safety**
   All members of the FAU Housing community—residents, staff and visitors are expected to act in a manner that demonstrates consideration for the health and safety of the community. Residential students are required to comply with directives from FAU Housing to leave their assigned space due to COVID-19 or other public health emergencies should they arise.

2. **Quarantine/isolation**
   Not all FAU Housing residential rooms or halls are appropriate for self-quarantine or self-isolation. In situations where a student is required to self-quarantine or self-isolate, the student may not be permitted to continue residing in their residential space and will be provided alternative housing arrangements as needed.

3. **Cleaning**
   Residents will be responsible for obtaining cleaning supplies based on CDC guidelines to maintain a clean-living environment within their assigned space. FAU Housing and Residential Education will clean all residential spaces prior to student move-in and provide regular cleaning and sanitizing of public areas such as lobbies, hallways and elevator areas.

4. **Community Living Expectations**
   Residential students must adhere to the following rules:
   a. Students are have a personal choice to wear face coverings when in lobbies, lounges and other public spaces within the residence halls/student apartment communities.
   b. Students may not gather in groups larger than those specified in the FAU Health and Safety Plan and must practice social distancing.

5. **Amenities and Common Areas**
   Programming and support for student success will be offered consistent with CDC Guidelines and the FAU Health and Safety Plan. Access to and use of amenities/spaces may be restricted or limited in capacity (community space, lounges, kitchen, laundry rooms, elevators, etc.).

WHEN YOU ARRIVE

Report to your assigned move-in area
This is the first thing you should do when you arrive so you can get your key to your room.

What you will receive upon arrival
Key(s): You will be given a key to your room and a mailbox key. Students assigned to RH3 will not receive a mailbox key.

24-hour Front Desk Service
Once moved in, head down and meet the front desk staff located in the lobby of your building. The staff is there to provide information and security assistance 24 hours a day. Don’t forget to save the front desk phone number on your phone in case of an emergency.

Meet your Residential Assistant (RA)
Your RA is an upperclass student living in your area trained to work with other residents to establish a sense of community for all on-campus students. Your RA is a great resource who can help answer questions regarding the University and surrounding communities. They can assist with roommate communication, maintenance concerns and other issues of interest. Throughout the year, RAs will plan various programs and activities with, and for, the residents. Also, an RA is on duty each night and during weekends.

RESIDENTIAL MAIL SERVICES

Each resident is assigned a mailbox. Letter-mail can be accessed 24/7 in your building’s lobby mailboxes. Packages can be picked up from the package center located in RH3. It is imperative to always use the address of the building you are living in to ensure proper delivery.

*Due to very limited space in our mailrooms, we are unable to hold large packages prior to move-in day so please plan accordingly.
