Annual Screening mammograms are a covered service for patients ages 40 and over.

- *Patients younger than 40 are responsible for obtaining a prescription and verifying their insurance coverage prior to making appointment.*
- A scheduled appointment is required & no walk-ons are permitted.
- **To make your appointment go to** <https://baptisthealth.net/mammovan>
- Information will be needed at time of scheduling:
- **Please bring a valid ID, insurance card, and copies of your previous mammograms.**
- Results are available within three business days.
- Screening mammograms are covered by **MOST** insurance plans.
- **Free Mammograms available for noninsured patients.**
- *Must bring valid Driver's License and valid Social Security number to qualify for free screening*
