TRI RAIL
EMPLOYER DISCOUNT PROGRAM

**MEMBER
BENEFITS & APPLICATION**

IT PAYS TO
RIDE TRI-RAIL

As part of the South Florida Regional Transportation Authority, Tri-Rail is South Florida's premier commuter train. Tri-Rail makes getting to and from work much easier. Additionally to save you money, Tri-Rail has developed a program especially for you – the Employer Discount Program.

**UNBELIEVABLE SAVINGS -
COMMUTE FOR AS LITTLE AS
\$60 A MONTH**

With 18 train stations located throughout the tri-county area, convenient schedules and connecting bus service, Tri-Rail's EDP is more appealing than ever. Not only can you relax and ride Tri-Rail in air-conditioned comfort, but you can save 25 percent off the price of Monthly and 12-Trip train tickets.

EASE THE STRESS OF YOUR DAILY COMMUTE

When you consider how much you can save in car maintenance, fuel, insurance, tolls and parking costs, it is obvious why Tri-Rail is the transportation choice of thousands of commuters. Tri-Rail has free parking at stations, free transfers to Metrorail/Metromover, onboard work tables, luggage racks and more. Tri-Rail commuters can take advantage of the Emergency Ride Home Program, which provides free taxi service in emergency situations to those who register with South Florida Commuter Services.

Tri-Rail's EDP is an excellent benefit offered by participating employers. Enroll today and see why it pays to ride Tri-Rail.

COMMUTER TAX BENEFITS CAN SAVE YOU EVEN MORE

Did you know that the federal government allows employers to give their workers up to \$105 per month to cover transit commuting costs as a tax-free benefit? Or, that employers can allow workers to pay for commuter benefits through payroll deductions with pre-tax income?

These special tax benefits are just one more reason why it pays to ride Tri-Rail. Ask your Human Resources Department if your company participates in this federal transit program. To receive a brochure with detailed information about these tax benefits, call 1-800-TRI-RAIL (874-7245).

TRANSFERS

To Metrorail: If you are using a 12-Trip Ticket and your destination is the Tri-Rail/Metrorail Transfer Station, a free transfer is available from the Ticket Agent at the Tri-Rail/Metrorail Transfer Station. If you are a frequent traveler, we encourage you to purchase a Monthly Ticket to make your transfer to Metrorail even easier. All Monthly tickets include a magnetic strip for automatic transfers onto Metrorail.

To buses: Your Tri-Rail ticket is your transfer to Tri-Rail shuttle buses and county buses in Broward, Miami-Dade and Palm Beach counties, that travel within a quarter mile of a Tri-Rail station.

DETERMINING YOUR FARE

Tri Rail also offers a 12-Trip Ticket which is good for 12, one-way trips within your designated number of zones. The price of a 12-Trip Ticket is determined by the number of zones through which the passenger

travels. To determine the number of zones traveled, simply start at your origin station (counts as one zone) and work your way to your destination station. The number of shaded areas through which you traveled determines the number of zones (see shaded zones on System Map). You must validate your 12-Trip Ticket at the station before each ride.

For example, if you are an EDP Member traveling from the Deerfield Beach Station to the Golden Glades Station (four zones), your cost for a 12-Trip Ticket is \$28.50.

Monthly tickets cost \$60 for EDP members (a 25 percent discount from the regular price) and are valid for unlimited travel throughout the Tri-Rail System. A Monthly Ticket includes a magnetic strip for automatic transfers to Metrorail/Metromover.
