

Assessment Support

Please contact the [Office of the Provost](#) if you would like individual assistance or group workshops on any of the following topics:

- Assistance with using the FAU Assessment Database;
- Assistance with or consultation on your Assessment Plan for the upcoming year;
- Assistance with or consultation on your Assessment Report for the prior year;
- Workshop for your Department on Assessment: what it is; why it is useful for faculty and departments; why it is useful to students; how assessment helps to improve student learning.
- Workshop for your Department on Rubrics: What they are; why they are helpful to faculty; why they are helpful to students; how they help to improve student learning outcomes.
