Setting up DUO Push on Mobile Device

(will need computer or non-mobile device also)

Step 1: Go to (using computer, <u>not</u> mobile phone):

https://ssoauth.fau.edu/mfa/

Step 2: Select "**Enrolled in Required Services only**…."

Multi Factor Enrollment Option

▸ ○ Enroll in Required Services only (most commonly selected – see list of services below)
　○ Enroll in ALL MFA supported services (this option will require you to use MFA for all services, see list of services below)

Step 3:
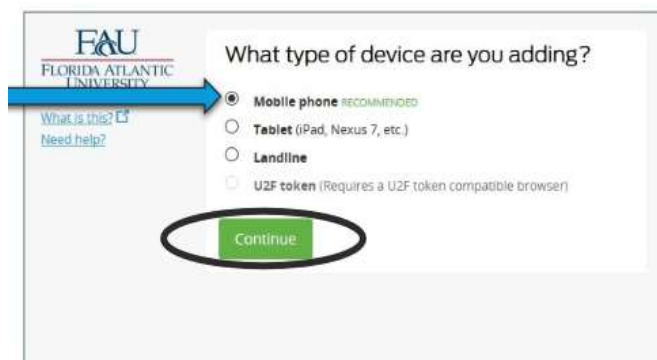

1. Click on "**Save your enrollment selection**"

   Save your enrollment selection
2. Next, click on "**Click here to register your device**"

   Click here to register your device
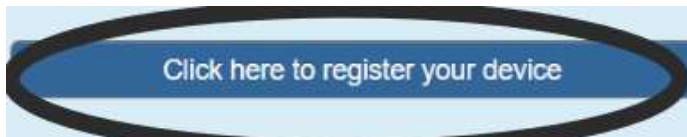

Step 4:

1. Click Start Set-up
2. Choose Device
3. Enter Phone Number

Protect Your Florida Atlantic University Account

Two-factor authentication enhances the security of your account by using a secondary device to verify your identity. This prevents anyone but you from accessing your account, even if they know your password.

This process will help you set up your account with this added layer of security.

Start setup
