Step 3: Complete the DUO Authentication

AUTHENTICATION WITH DUO IS REQUIRED FOR THE REQUESTED SERVICE.

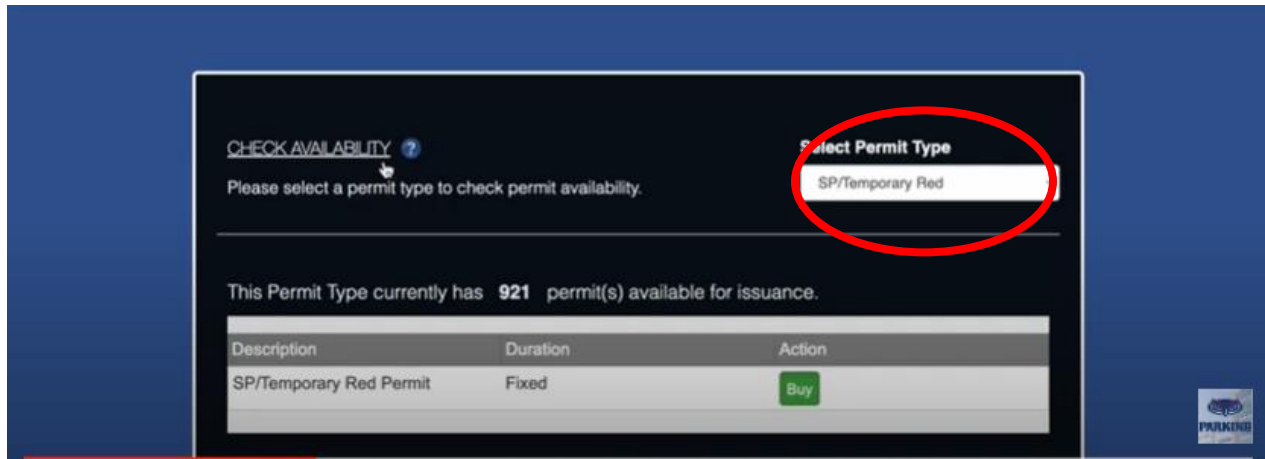

The image shows the Duo authentication interface for Florida Atlantic University (FAU). On the left, the FAU logo is displayed above the text "FLORIDA ATLANTIC UNIVERSITY". Below this, there are four links: "What is this?", "Add a new device", "My Settings & Devices", and "Need help?". The main area is titled "Choose an authentication method". It contains two options: "Duo Push RECOMMENDED" with a checkmark icon and a green button labeled "Send Me a Push", and "Passcode" with a passcode icon and a green button labeled "Enter a Passcode". At the bottom, there is a checkbox labeled "Remember me for 24 hours".

Step 4: Click on 'Buy Permits'

Step 5: Select Permit Type. (Blue is you are a commuter, or Green if you live on campus) and click 'Buy'.

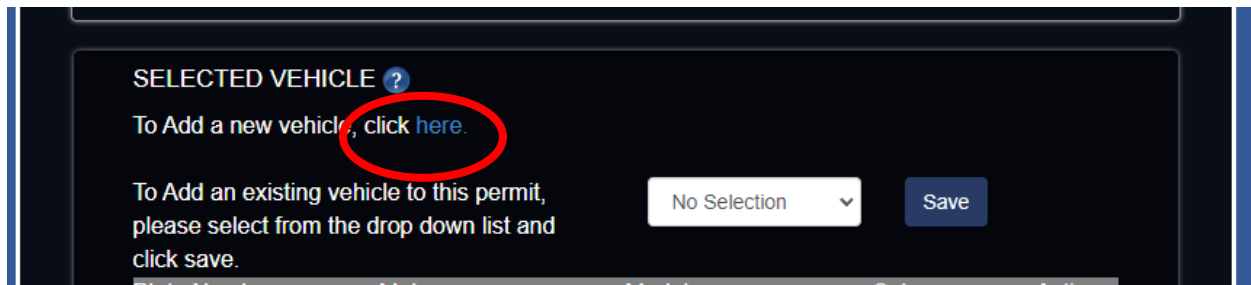

CHECK AVAILABILITY ?

Step 7: Complete the form with your car information and click 'SAVE'

You will need your Plate Number, Make, Model, Color, and the state your car is registered.

The screenshot shows a web interface with a dark header containing the word "Individual". A white modal window titled "VEHICLE INFORMATION" is open. Inside the modal, there is a section "Select if using Plate or VIN Number" with two radio buttons: "Plate Number" (selected) and "VIN Number". Below this are five input fields: "Plate Number" (containing "LTVG30"), "Make" (containing "Honda"), "Model" (containing "HR-V"), "Color" (containing "Blue"), and "State / Province" (containing "Florida"). At the bottom right of the modal are two buttons: "Close" and "Save". A large red arrow points from the top right towards the "Save" button, which is also circled in red. The background of the page shows a list of items, with the entry "Isai added vehicle - JKCE29 to this permit" visible at the bottom.
