- First Day of the Mid-Spring Session is March 17th
- Last Day of the Term: May 6th

MARCHING INTO SPRING!

March is a month of fresh starts and vibrant energy here at the FAU IEI! As we bid farewell to the winter breeze, we officially welcome the arrival of **Spring** on March 20. This transition brings more than just beautiful Florida sunshine; it's a time for renewal in our studies and our community. St. Patrick's Day observes the patron Saint of Ireland. Over the years, the day has evolved into an event that honors Irish culture through parades, food, music, dancing and wearing lots of green! Don't forget to wear your best green on **March 17 for St. Patrick's Day**—a great chance to experience a classic American tradition with your fellow students.

The first 2 students to show up to the office with the most Irish spirit (wearing the most green) on Tuesday, March 17, 2026, will receive a prize!

THINGS TO DO
