OCTOBER: THE SEASON OF CHANGE

Welcome to October, one of the most exciting months of the year! Here in Boca Raton and across the U.S., October means the official start of fall (even if the weather is still warm!).

What's Happening in October?

- **Fall Foliage:** In many places, trees change color, showing beautiful shades of red, orange, and yellow. It's a great time to enjoy the outdoors.
- **Pumpkins and Harvest:** You'll see lots of pumpkins everywhere! People visit pumpkin patches (farms where you can pick a pumpkin) and enjoy seasonal foods like apple cider and pumpkin spice drinks.
- **The Big Holiday:** Halloween! The month ends with Halloween on October 31st. This is a fun, festive holiday where people dress up in costumes (as monsters, superheroes, or anything!), decorate their homes with spooky items, and kids go "trick-or-treating" (visiting houses to ask for candy).

October is a perfect time to practice your English and experience American traditions! Enjoy the season!

THINGS TO DO:

- **Octoberfest 2026:** A popular event featuring German food, beer, live music, and carnival rides running from October 9 to 11 and 16 to 18. americangermanclub.org/signature-events/oktoberfest/
- **Bedner's Fall Festival:** Get into the fall spirit with this festival running from October 3 to November 1.
- **FAU Football: Cheer on the Owls!** Get your student tickets here: <https://fausports.com/news/2021/8/30/student-ticket-central>
