

## IMPORTANT REMINDERS

**Be on time:** We expect you to be on time for all of your classes. Tardiness is disruptive and should be avoided.

**Attend your classes:** Attending class is crucial for your academic success. If a genuine emergency prevents you from attending, please let your teacher know as soon as possible.

**Get your textbooks:** You should have all of your textbooks by the end of Week 2. If you are having any difficulty purchasing them, please notify your teachers immediately so we can help.

## SEPTEMBER: A Fresh Start

September marks a time of transition, a turning point from summer's long days to the routines of a new academic year. For college students in Florida, the month is all about new beginnings, new classes, new friends, and a fresh start on campus. The month kicks off with Labor Day, a federal holiday that for many is the last chance to relax before diving headfirst into the semester. While we might not get the changing leaves, September still brings its own kind of beauty and energy. It's a time to settle into a new schedule, embrace new challenges, and make the most of the opportunities that come with a new year.
