COLLEGE OF MEDICINE
Florida Atlantic University

STUDENT OATH Class of 2023

As the students of Charles E. Schmidt College of Medicine Class of 2023, we pledge to...

Provide compassionate and empathetic care by practicing humanistic medicine

Create a community that promotes trust, professionalism, and respect for patients, colleagues, and ourselves while always upholding the integrity of the medical profession.

Maintain our physical and emotional well-being in order to provide the highest standards of care.

Recognize our limitations through humility and reflection.

Foster a collaborative and supportive interdisciplinary environment.

Care for the individual through a holistic approach.

Transcend cultural barriers and advocate for inclusion.

Dedicate ourselves to the pursuit of lifelong learning.

Demonstrate gratitude to our loved ones for their endless support and unconditional encouragement.

By embodying these tenets, we will commit ourselves to a life that will bring honor to our profession.
