

### How to Attend Online Tutoring in TracCloud

1. Go to [tutoring.fau.edu](https://tutoring.fau.edu) and sign-in using your FAU credentials.
2. Locate “Schedule a Tutoring/Consultant Appointment” on the Dashboard.

The screenshot shows the TracCloud dashboard interface. At the top, there is a dark blue header with a 'Log Off...' link and a bell icon. The main content area is divided into two columns. The left column contains a 'Greetings Test' section with a welcome message and links to various tutoring centers. The right column features a date selector for 'Fri Jun 16 2023' and a 'Schedule a Tutoring/Consultant Appointment' button highlighted in yellow. Below this, there is a search bar for scheduling appointments, a 'Center Visits' section, a 'Surveys/Documents' section, and a 'Calendar URL...' section. At the bottom right, there are buttons for 'Week Time Check' and 'Week & Semester Time Check'.

3. Choose the subject for which you’d like to make an appointment from the dropdown and press “Search”.

This close-up screenshot focuses on the 'Schedule a Tutoring/Consultant Appointment' form. The title is 'Schedule a Tutoring/Consultant Appointment'. Below the title, there is a text input field for the subject. The dropdown menu is open, showing 'MAC1105 - College Algebra' as the selected option. To the right of the dropdown is a 'Search...' button.
