

Circle of Caring

by K. Sherman, CSJ

Strong as a Circle of Caring, daring, dreaming anew.

Learning, embracing humility, welcoming wisdom in you and me.

Circles are we of Earth caring, Love bearing, blessing the world.

Dancing as one round our common home, midwives and seed for a future unknown.

Ref: We are healers with vision and courage, making a difference, finding our way.

Will you take my hand, and I'll take yours, together we'll dance-in a bright, kinder day.

Of hope that is now but a seedling, needing our voice, our promise and prayer.

Truth and compassion will teach us, change us, becoming are WE!

Ref: We are healers with vision and courage, making a difference, finding our way.

Will you take my hand, and I'll take yours, together we'll dance-in a bright, kinder day.

Yes, we will. Yes, we will. Yes, that's what we'll do.
