# Transfer Action Plan

STUDENT ORIENTATION,  
ACADEMICS AND RESOURCES

# What is the Transfer Action Plan?

- The Transfer Action Plan (TAP) is an opportunity for transfer students to get involved on campus by attending various events and reflecting on their learning experiences.
- Throughout the semester, transfer students will have the opportunity to participate in activities that foster volunteerism, financial wellness, career readiness and leadership while developing a deep sense of connection to FAU.

TRANSFER **SOAR**

# TRANSFER SOAR

“This was a wonderful way to bond with other students and meet new people. Being involved in the FAU community can be enjoyable. It was meaningful because being a transfer student is hard. I commute to school, and I feel as if I have not had opportunities to create any bonds with any of my peers, but this was a fantastic way to get out there and do so.”

Aneth, TAP Alumni, Fall ‘22

“As a new student to FAU, this was also a great opportunity to meet new people and get a better sense of community, which I think is an important part of the college experience and also feel welcomed by the college.”

Bruno, TAP Alumni, Fall ‘22

“From financial wellness to career readiness, the TAP program provided a lot of opportunities for transfer students to get involved and I’m glad I did.”

Aulanie, TAP Alumni, Fall ‘22
